YOUR SCORE AND WHAT IT MEANS

21 to 63:

It's clear that you're ready, willing and able to adopt some new daily practices. Getting to this point is never easy. So congratulations. We look forward to helping you take that enthusiasm and turn it into results.

-20 to +20:

If you score in this range, it seems like you're on the fence. You may be frustrated with the way things are but a little nervous about changing the way you do things today. Those feelings are totally normal and natural. We're happy to help you move forward at the right pace for you.

-61 to -21:

From the results of your questionnaire, it seems like you're apprehensive about the change process. And that's totally okay. Most of our new clients experience the same thing, as this area can feel completely foreign to them. At this point, we're happy to simply provide a healthy environment for you to consider adopting some new daily practices. They can be as small as you like; we'll go at your pace.
